Unlock the full potential of the programme with this course

Best online course I have ever completed. Really excellent and so practical, would highly recommend the course to others.

What does the course cover?

Many teachers from around the world have successfully completed this Jolly Phonics On-Line training course over the past two years. Whether you are a teacher currently using *Jolly Phonics* or planning to introduce the programme to your school, this course will equip you with the skills, knowledge and understanding you need to teach the programme effectively in your class.

The on-line course is divided into 5 modules, each dealing with a different aspect of *Jolly Phonics* :

- Module 1 - covers the history of literacy teaching and evaluates the various methods used to teach reading and writing over the years
- Module 2 - introduces *Jolly Phonics* and explains the five basic skills that are taught in the programme
- Module 3 - gives practical teaching advice, explaining how all the five skills can be incorporated into daily lessons and the pace of teaching
- Module 4 - discusses tried and tested techniques that can be used for teaching children that are struggling
- Module 5 - looks at research studies, which have examined the various methods used to teach literacy

Active interaction from course tutors provides guidance and feedback for all teachers. Modules can be done in any order, each ending with a question or assignment that needs to be completed.

How much is the course?

- £89 for the British English course
- \$149 for the American English course
- €99 for the course in the Republic of Ireland
